

UNINSULATED BARE STORAGE TANKS

A. O. Smith commercial water storage tanks are designed for use with gas/electric water heaters to provide additional storage capacity for systems with large water draws. A. O. Smith glasslined storage tanks are designed and recommended for systems with operating temperatures up to 180°F.

PERMAGLAS® GLASSLINING

- All internal surfaces exposed to water are glasslined per ASME HLW procedures, using an NSF-approved glasslining compound
- Glass is highly resistant to effects of temperature, corrosion and electrolysis

SIZES FROM 80 TO 2,000 GALLONS

- For horizontal installations, optional tank saddles are recommended (Tanks 500 gallon and above must be specified Horizontal or Vertical)

CATHODIC PROTECTION

- Heavy duty anode rods provide advanced protection against corrosion

WORKING PRESSURES

- Tanks tested at pressures assigned in accordance with working pressures shown in table on reverse side

CUSTOM TANKS

- For our full line of custom tanks, please see the A. O. Smith Custom-Line HD storage tank spec sheet

OPTIONS

- ASME and National Board Certification sheets - furnished upon request
- Tank saddles - two per horizontal tank

FIVE-YEAR LIMITED TANK WARRANTY

- For complete information, consult written warranty or contact A. O. Smith

MODELS T-80 thru T-2000

SUGGESTED SPECIFICATION

Glasslined storage tank(s) shall be A. O. Smith glasslined storage tank(s) or equal. Tank(s) shall be ____" x ____" and have a nominal capacity of _____ gallons. Tank(s) shall have threaded openings as shown on drawings. Exterior of tank(s) shall be thoroughly cleaned and painted. Interior of tank(s) shall be glasslined with an alkaline borosilicate composition which has been fused to the steel base by firing at a temperature of 1600°F. Cathodic protection shall be provided. The storage tank(s) shall have a working pressure of _____ psi. The storage tank shall have a five-year limited warranty as outlined in the written warranty.

For Technical Information call 888-599-2837. A. O. Smith Enterprises Ltd. reserves the right to make product changes or improvements without prior notice.
